Hi my name is Sophia Mares. I will be a Junior at Sanger High School for the 2019/20 school year. I am extremely dedicated to my academics and softball. I want to pursue both at a collegiate level. I work hard on and off the field, constantly trying to improve in every aspect of softball and academics. My very supportive family and coaches have shaped me into the persevering person I am today. I have been taught that nothing is ever just given to you. That you have to give it your all and more to see results you want. I am extremely grateful that I am able to experience playing a sport that has taught me passion, commitment and dedication. I will go to lengths to get me to my goals.
