Hi, my name is India Zepeda. I am a Sophomore at Bullard High School. I come from a coaching family, So being a student athlete is how I was raised. I take my academics extremely serious and put that at the forefront. I am a grinder on the softball field and willing to put in unlimited hours into my craft. By surrounding myself with likeminded people keeps me discipline and focus. Me putting God first and having a great support group with my family and being Coached by some of the best coaches allows me to be who I am. I will Be a college softball player because I will work for it both on and off the field.
